

AMERICA

IS AT A BREAKING POINT

Since January 2020, there have been more than **9.7 million encounters** nationwide and more than **7.9 million encounters** at the Southwest border, in addition to roughly **2 million known gotaways**.

- U.S. Customs and Border Protection, "Stats and Summaries," 4/16/24

"In 2023, more than 112,000 people lost their lives to overdose... primarily to synthetic opioids like fentanyl."

- Mayo Clinic Health System, 4/18/24

Since FY21, 372 individuals whose names appear on the terrorist watchlist have been caught crossing our Southwest border illegally.

- U.S. Customs and Border Protection, "CBP Enforcement Statistics," 6/20/24

This crisis is both heartbreaking and infuriating. The Administration HAS the authority to act, and they always have.

CONGRESS MUST SECURE OUR BORDER, ENFORCE THE LAW, AND END THIS CRISIS.

HOUSE REPUBLICANS ARE FIGHTING TO SECURE THE BORDER

“Under this administration’s policies, America has laid out a welcome mat to illegal immigrants, smugglers, and cartels. This is unconscionable.

Secure borders are essential. If we don’t have borders, we don’t have sovereignty. If we don’t have sovereignty then we don’t have a country.”

➤ **PASSED** the Secure the Border Act of 2023 (H.R. 2) - the most comprehensive border security legislation in decades.

- Ends catch-and-release.
- Reinstates the Trump-era 'Remain in Mexico' policies.
- Renews construction of the border wall.

➤ **Passed legislation to:**

- Detain and deport illegal aliens who assault law enforcement.
- Require ICE detention for illegal aliens who commit theft.
- Allow a state to sue the federal government for not enforcing and securing the border.

➤ **Fully funded border patrol**, funded the hiring of new border patrol officers, and additional detention beds for illegal aliens.

➤ **PASSED** the SAVE Act (H.R. 8281) to protect election integrity against noncitizen voting.
