

Congressman Mike Johnson is pleased to announce the **2018 Congressional Art Competition**. This exciting opportunity is open to all high school students across America each year.

One piece of art will be selected by a panel of judges for display in the U.S. Capitol Building. Second and third place selections will be proudly displayed in our 4th District Congressional offices. The winner of the competition will also be awarded two airline tickets to Washington, D.C., and be the honored guest for a Capitol tour and lunch with Congressman Johnson.

Congressman Johnson has chosen *The Natural Resources of Our Great State* as the theme for this year's artwork. Louisiana is blessed with beautiful lakes, rivers and bayous, forests, agriculture and crops of all kinds, mineral resources, and abundant wildlife and fisheries. There is no limit to the inspiration all around us.

A reception will be held by our office to honor the participants and display all the artwork entries. The winning entry will be announced at the reception (date and location of reception to be announced). *Additional official forms will be sent out as soon as we receive them.*
